

# **Autauga County Transportation Reasonable Modification Policy**

## **1. Purpose**

The purpose of the reasonable modification policy is to ensure that Autauga County Transportation offers equal and effective opportunities and access to public transportation services for persons with disabilities and full compliance with the provisions of the Title II of the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

## **2. Policy**

Autauga County Transportation is committed to providing equal access and opportunity to qualified individuals with disabilities in all programs, services and activities. [Insert name of transit provider] recognizes that in order to have equally effective opportunities and benefits, individuals with disabilities may need reasonable modifications to policies and procedures. Autauga County Transportation will adhere to all applicable federal and state laws, regulations and guidelines with respect to providing reasonable modifications, as necessary, to afford equal access to programs for persons with disabilities. [Insert name of transit provider] does not discriminate on the basis of disability in admission to, participation in, or receipt of services and benefits under any transit program or activity. [Insert name of transit provider] will take appropriate steps to ensure that persons with disabilities have an equal opportunity to participate.

No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of Autauga County transportation, or be subject to discrimination by Autauga County Transportation.

## **3. Reasonable Modifications**

A reasonable modification is a change or exception to a policy, practice, or procedure that allows disabled individuals to have equal access to programs, services, and activities. Autauga County Transportation will make reasonable modifications to policies, practices and procedures when necessary to ensure access to transit services for qualified individuals with disabilities, unless:

- Making the accommodation would fundamentally alter the nature of the public transportation service.
- Making the accommodation would create a direct threat to the health or safety of other passengers.
- The individual with a disability is able to fully use Autauga County Transportation's service without the accommodation being made.

For the purposes of this section, the term reasonable accommodation shall be interpreted in a manner consistent with the term “reasonable modifications” as set forth in the Americans with Disabilities Act Title II regulations at 28 CFR 35.130(b)(7), and not as it is defined or interpreted for the purposes of employment discrimination under Title I of the ADA (42 U.S.C. 12111–12112) and its implementing regulations at 29 CFR part 1630.

#### **4. Eligibility Criteria**

An individual is eligible to be considered to receive a reasonable modification if that individual has: a physical or mental impairment that substantially limits one or more of the major life activities of such individual; a record of such impairment; or been regarded as having such impairment.

#### **5. Requests for Reasonable Modifications**

Autauga County Transportation shall make information about how to contact Autauga County Transportation to make requests for reasonable modifications readily available to the public through its website and rider policy guidelines. Autauga County Transportation shall follow these procedures in taking requests:

- a. Individuals requesting modifications shall describe what they need in order to use the service.
- b. Individuals requesting modifications are not required to use the term “reasonable modification” when making a request. Personnel at Autauga County Transportation will determine if the request represents a reasonable modification and proceed in accommodating the request accordingly.
- c. Whenever feasible, Autauga County Transportation requests that individuals make such requests for modifications before Autauga County Transportation is expected to provide the modified service.
- d. Where a request for modification cannot practicably be made and determined in advance (*e.g.*, because of a condition or barrier at the destination of a paratransit, demand response, or fixed route trip of which the individual with a disability was unaware until arriving), operating personnel shall make a determination of whether the modification should be provided at the time of the request. Operating personnel may consult with Autauga County Transportation’s management before making a determination to grant or deny the request.

Requests for accommodation may be made either orally or in writing. The reasonable accommodation process begins as soon as the request for accommodation is made.

The request can be submitted in any written format. Alternative means of filing a request, such as personal interviews, phone calls, or taped requests, will be made available for persons with disabilities if unable to communicate their request in writing or upon request.

## **6. Interactive Process**

When a request for accommodation is made, [Insert name of transit provider] and the individual requesting an accommodation must engage in a good faith interactive process to determine what, if any accommodation shall be provided. The individual and the [Insert name of transit provider] must communicate with each other about the request, the process for determining whether an accommodation will be provided, and the potential accommodations. Communication is a priority throughout the entire process.

## **7. Time Frame for Processing Requests and Providing Reasonable Modification**

[Insert name of transit provider] will process requests for reasonable accommodation and then provide accommodations, where appropriate, in as short a time frame as reasonably possible. [Insert name of transit provider] recognizes, however, that the time necessary to process a request will depend on the nature of the accommodation(s) requested and whether it is necessary to obtain supporting information.

## **8. Granting a Reasonable Modification Request**

As soon as [Insert name of transit provider] determines that a reasonable accommodation will be provided, that decision shall be immediately communicated to the individual. This notice must be in writing in order to maintain the required information for reporting purposes. Upon request, alternative means of response will be provided.

In choosing among alternatives for meeting nondiscrimination and accessibility requirements with respect to new, altered, or existing facilities, or designated or specified transportation services, [Insert name of transit provider] shall give priority to those methods that offer services, programs, and activities to qualified individuals with disabilities in the most integrated setting appropriate to the needs of individuals with disabilities.

## **9. Denying a Reasonable Modification Request**

As soon as [Insert name of transit provider] determines that a request for reasonable accommodation will be denied, [Insert name of transit provider] will communicate the basis for the decision in writing to the individual requesting the modification. The explanation for the denial will clearly state:

- a. the specific reasons for the denial;

- b. any alternative accommodation that may create the same access to transit services as requested by the individual; and
- c. the opportunity to file a complaint relative to the [Insert name of transit provider]'s decision on the request.

## **10. Complaint Process**

Autauga County Transit has a process for investigating and tracking complaints from qualified individuals. These procedures shall be posted on the [Insert name of transit provider]'s website and will be provided to any individual where the Autauga County Transit has denied a request for accommodation. The process and any forms necessary to file a complaint are readily available from the web. Alternative means of filing complaints, such as personal interviews, phone calls, or taped requests, will be made available for persons with disabilities if unable to communicate their request in writing or upon request.

Any person who believes she or he has been discriminated against in obtaining a reasonable modification may file a complaint by completing and submitting a Autauga County Transit's Reasonable Modification Complaint Form. If Autauga County Transportation is not contacted by the complainant or does not receive the additional information within 30 business days, the Autauga County Transportation may administratively close the complaint. In addition, a complaint may be administratively closed if the complainant no longer wishes to pursue their case.

After Autauga County Transit investigates the complaint, a decision will be rendered in writing to the complainant. Autauga County Transit will issue either a Letter of Closure or Letter of Finding.

- a. *Letter of Finding* – This letter will summarize the complaint, any interviews conducted regarding the complaint, and explains what actions will be taken by [Insert name of transit provider] to address the complaint.
- b. *Letter of Closure* – This letter will explain why Autauga County Transit has determined that the complaint does not merit accommodation under the Americans with Disabilities Act and that the complaint will be closed.

If the complainant disagrees with the decision of Autauga County Transportation, an opportunity to appeal the decision may be pursued provided the complainant files notice of appeal within 21 days of the initial decision of Autauga County Transportation.
